

ONE BIG DIE-IN
MONDAY, MARCH 19, 2007
12:00 NOON

Nearly 7,000,000 people live in the San Francisco Bay Area
What would it look like if all of us were killed?

On March 19, 2003, U.S. forces invaded Iraq.
650,000 Iraqis have been killed because of this invasion
This is 2.5% of Iraq's population, equivalent to 7,000,000 US residents

*****If you oppose this senseless killing,***
On March 19, 2007 do these three things:**

- Wear all black or wear a black armband
- Put a Bring the Troops Home Now sign in the window of your home or car
- **12:00 noon** come to the DIE-IN on Market Street to show what it would look like if downtown San Francisco was filled with dead bodies

ASSEMBLY POINTS: Federal Reserve (Spear & Market); McKesson Plaza (Montgomery & Market); Westfield Center (Powell & Market); UN Plaza (7th & Market)

If possible, bring a white sheet stained with red to represent the bloodshed
*If you are not near Market Street, get your friends or coworkers to **die-in** wherever you are – take photos and post them to www.Indybay.org*

FOUR YEARS IS TOO LONG
STOP THE WAR NOW!
